

## Proverbs 15:28

The heart of the righteous studies how to answer, But the mouth of the wicked pours forth evil. NKJV

### Devotional

Bible Footnotes: Wicked people don't guard their words. Unlike the fool who makes all hear his folly, the wise person is a model of restraint and humility, speaking what he knows at an appropriate time. Jesus - Protect my eyes from evil and my heart from harm. Keep watch over the gate of my soul and fill my mind with positive messages and godly influences that are good, lovely, pure and praiseworthy. I entrust them into your precious hands. Amen
