

A Prayer For Spiritual Battle

Almighty and Heavenly Father, give us strength and courage on land, sea and in the air, that we will faithfully defend and preserve the liberties and the lives of all your children who are suffering unprovoked aggression and from unjust attack, spiritually, emotionally and physically. Please place your Fatherly hand always on us! May the Holy Spirit always be with us, so that we quickly scatter those who delight in war. May we build an enduring peace founded upon your holy laws and upon unselfish good will to all those who love justice and peace, which you have given to us through Jesus Christ your Son, our Lord.
Amen
