A Prayer For Wisdom

Almighty God, pour out your most Holy Spirit of grace and purity onto me and forgive me of my sins of lack of purity, goodness and honesty that I have willingly allowed in my life. Deliver and protect me from the attacks of satan and his demons on my life and the worldly acceptance of these sins, I rebuke them in Jesus' name! I worship You and only you Lord and will walk side by side with You. Write your most holy scriptures on my heart and reawaken my desire to walk in your statutes. In Jesus' name. Amen!
